for Health Centres for the Tenth Plan should be the number of institutions required at each level to fill the gaps in infrastructure as per the norms for 1991 population. Accordingly the targets during the Tenth Plan are proposed to be met by the appropriate reognization and restructuring of existing infrastructure and orientation, skill upgradation and redeployment of existing personnel, opening of new centres and construction activities would be kept to very bare minimum. With a view to improving the standard of services being rendered at these centres, the Government of India is providing assistance to the States under various schemes such as Basic Minimum Services Programme/Prime Minister's Gramodaya Yojana, the Reproductive and Child Health Programme, the Sector Investment Programme and Area Projects etc.

Facilities under CGHS in private hospitals

471. SHRI AIMADUDDIN AHMED KHAN (DURRU):
DR. AKHILESH DAS:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether private hospitals to whom lands had been allotted in Delhi by Government on concessional rates are treating/providing facilities to Government employees, including retired personnel covered under the CGHS;

(b) if not, the number and details of such hospitals which are not extending such facilities;

(c) whether such facilities are provided in Apollo Indraprastha Hospital and G.M. Modi Hospital, New Delhi; and

(d) if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA): (a) and (b) Private hospitals have been recognised under CGHS Delhi *vide* Department of Health's O.M. dated 7.9.2001 read with O.Ms. dated 15.3.2002, 6.5.2002 and 14.5.2002. The recognition of private hospitals under CGHS Delhi has been made in accordance with the Tender Document circulated for the purpose. The said Tender Document did not have any condition that private hospitals

who have been allotted land in Delhi by the Government on concessional rates have to necessarily purchase the Tender Document and apply for recognition under CGHS, Delhi.

(c) and (d) Indraprastha Apollo Hospital, New Delhi had applied for recognition under CGHS Delhi when the tenders were floated by the CGHS in November, 2000. However, it has not expressed its willingness to sign the Memorandum of Agreement (MoA) with the CGHS which is a legal requirement to be fulfilled by all private hospitals which seek recognition under CGHS.

Therefore, this hospital has not been recognised under CGHS, Delhi. As regards G.M. Modi Hospitals, New Delhi, it did not apply for recognition under CGHS Delhi in November, 2000 and therefore has not been recognised under CGHS.
